

Bible Journaling Guide for Ezekiel

Step #1 Prepare

Gather a Bible, the book of Ezekiel, or a notebook and a pencil box with colored pencils and a pen.

Draw a timeline of events from Ezekiel's time period. Find this in a study Bible or online. Include the dates for the three sieges of Jerusalem.

From Ezekiel 1:1-3, answer who, what, where, when, and why about the book.

Pray that God would help you notice the truth in Ezekiel, understand, and apply the book of Ezekiel to your life.

Step #2 Draw and Write

For each chapter of Ezekiel, draw or write what stands out to you. Jot down questions or other parts of the Bible that the passage reminds you of.

Watch for these key words: Spirit, heart, glory of God, covenant, remnant, "I am the Lord."

- Chapters 1-24 are God's message through Ezekiel to God's people. Note that Ezekiel is in exile in Babylon when God is speaking to him.
- Chapters 25-32 are God's prophesies to other nations. Look at a map to locate the nation. Identify the message and the ruler.
- Chapters 33-39 are focused on Israel's Restoration and covenant.
- Chapters 40-48 are plans for rebuilding the temple. This temple has not yet been built.

Step # 3 Dig Deeper and Share

Look in commentaries or ask wise Christian friends to find answers to the questions that you jotted down.

Share thoughts, questions, and photos on social media, especially Instagram, using [#biblejournalingezekiel](#)

I look forward to Bible journaling with you!
